RESPONSE TO SPECIES ELECTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Responsive to the species election requirement mailed May 12, 2005, Applicants elect the following species with traverse:

- a) a cytostatic agent; and
- b) maleimide.

It is not believed that searching the additional species would be an undue burden on the Examiner, because a search for the generic claim should be broad and would reveal relevant literature, if any.

In view of the foregoing, withdrawal of the species election and of the restriction requirement are respectfully requested.

Application No.: 09/980,266

Applicant believes no fee is due with this response. However, if a fee is due, please charge Deposit Account No. 50-0624, under Order No. NY-HUBR 1198-US from which the undersigned is authorized to draw.

Dated: June 7, 2005

Respectfully submitted,
